

## Lotus Lubes™ Z-75 High-Mileage Oil Boost

### PRODUCT DESCRIPTION

**LOTUS Lubes™ Z-75 High-Mileage Oil Boost** provides STAY IN GRADE PROTECTION!! It is specially formulated with CleanGuard™ additive technology to deliver ultimate protection to mature vehicles with 75,000 miles or more on the odometer. CleanGuard™ is a proprietary additive system that contains active cleaning agents to maximize performance in older engines. **LOTUS Lubes™ Z-75 High-Mileage Oil Boost** is also formulated with special seal conditioners that recondition and revitalize brittle, cracked or worn-out O-rings, gaskets and seals in older vehicles; reducing oil consumption, driveway leaks and minimizes exhaust smoke.

Through advanced technology, **LOTUS Lubes™ Z-75 High-Mileage Oil Boost** enhances treated Motor Oil to provide maximum protection and performance for mature engines while keeping Motor Oil within recommended viscosity grade and maintaining performance standards.

### FEATURE & BENEFITS

- \* Superior wear protection for older engines
- \* Maintains new vehicle warranty requirements
- \* Reduces driveway leaks
- \* Minimizes vehicle exhaust smoke
- \* Protects against oil burn-off and consumption between services
- \* Minimizes vehicle exhaust smoke
- \* Maximum resistance to high-temperature thermal breakdown
- \* Improved low-temp performance compared to other high-mileage products
- \* Maximizes mature vehicle performance
- \* Safe for all gasoline-powered engines
- \* Maintains **STAY IN GRADE** Motor Oil viscosity requirements
- \* Maintains **STAY IN GRADE** Motor Oil performance standards
- \* Treats all viscosity grades of Motor Oil, including synthetics & synthetic-blends
- \* Reduce inventory costs by eliminating High Mileage Motor Oil in multiple viscosities
- \* Maximize available bulk oil storage capacity
- \* **GUARANTEED PROTECTION: 250,000 Mile Consumer Engine Guard Warranty**

### APPLICATIONS

Recommended for turbo-charged or naturally aspirated gasoline-powered passenger cars, light trucks and sport utility vehicles under severe operating conditions or with **75,000 odometer miles** or more:

- \* **Enhanced Motor Oil will remain within recommended viscosity grade and maintain the ILSAC and API performance standards it did prior to**
- \* **Backward compatible for API classifications SJ, SL & SM to deliver ultimate mature engine protection**

### DIRECTIONS FOR USE

Add 12 oz. of LOTUS Lubes™ Z-75 High-Mileage Oil Boost to up to 5 quarts of conventional or synthetic 0W-20, 5W-20, 5W-30, 5W-40, 10W-30, or 10W-40 Motor Oil. Consult vehicle owner's manual for fill capacity and recommended Motor Oil viscosity.

**For optimum results and long-term engine protection, apply LOTUS Lubes™ Z-75 High-Mileage Oil Boost with each vehicle oil change.**
